Thanks Amy.

I think we are going to order out on Sept 28th at the Lab. I'll keep you posted.

Hi, Annie:

I don't know which restaurant he like, but I asked my mother , she said my dad like try different thing, I think Loews's gift card is what they like , they will go Lowes very often after they move there.

Thank you so much.

Amy

Hi Amy,

Are there any restaurants in the area that your Dad likes to go to? (like Japanese, Thai, or Chinese)

Also is there anything that they need for there new house in Georgia?

Some of the ladies here would like to take your parents out for one Saturday as an appreciation.

Thanks.

Annie
